Penny Power Week

October 23-27

GOAL: \$5000

It's time for our **annual Penny Power drive!** This year's proceeds will go towards extending our Wi-Fi capabilities to enhance in-classroom technology and upgrading our 1:1 computing program with new laptops.

We have **added some new incentives and prizes** for this year for the classes who collect the most donations each day (or the donations that WEIGH the most) leading up to our **Big Pig Grand Prize and Porky Pig Prize**. See the enclosed flier for more details.

So get to scouring those couch cushions and car seats! The last two years, **we've managed to beat our goal... let's do it again!**

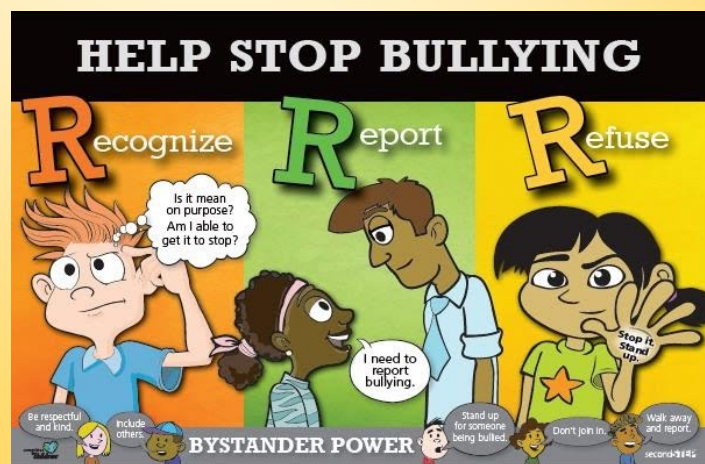

Lockdown Drill

Thursday, October 26

Please bear in mind, these drills are not intended to scare the children (or families), but are meant to insure our students, staff, and faculty know what to do in the event of an emergency. **We pray to never have to use the knowledge, but we will be prepared in any event.** This would be a good opportunity for you to discuss and practice safety drills at home with your family. Make sure your children know what to do in the event of a fire or other emergency at your house.

October is Bullying Prevention Month

Students at MSS receive training to recognize and prevent bullying. Our program teaches the 3 R's to help stop bullying...
