Hidden Treasures: Part 2

Dec 4th • Middle School

Beth Myers returns to present the 2nd of a 3-part series for our middle schoolers on creating a positive environment. The session will involve student interactive discussion and role playing to help build social skills and strategies.

Open the Door this Advent Season

Each day during Advent, our students will be invited to **“Open the door to Advent”**, a special prayer series highlighting the meaning of this season of hope-filled waiting. Students will reflect on preparing for Jesus' coming at Christmas through scripture, lives of the saints and a daily action to help make our prayer a lived experience. Ask your student about what they're learning in our daily prayer and encourage them to complete the **“Advent Job”** for each day.

We are grateful to **Sister Margaret Ann** for her creativity in developing this program for our school.

Beginning after the holidays, we will be rolling out a **new online registration system** to make our process more efficient and environmentally friendly. Keep your eyes peeled for more information on the exciting upgrade!
