CONGRATUALIONS TO MRS. KUYKENDALL!

Mrs. Kuykendall was recognized by the Friends of Catholic Education on Sunday as the **Teacher of the Year** for Mother Seton School. Mrs. Kuykendall not only does a fantastic job teaching middle school science, she is also the Chairperson of our Maryland Green School Certification process, she sponsors a number of clubs to encourage students to be engaged with science beyond the classroom and has developed a STEM mentor process for 7th and 8th grade students to assist in developing STEM projects for our annual Science/STEM fair. Mrs. Kuykendall is an asset to our school and we are very blessed to have her! MSS faculty and staff showed their support by attending the dinner recognizing Mrs. Kuykendall as one of four educators recognized from Frederick County Catholic Schools.
