FLU SEASON CAUTION

As you all know, we are in flu season. We are doing all we can to keep our children healthy at school by insuring good handwashing technique, sanitizing classrooms and disinfecting common areas each day. At this time, **we have two confirmed cases of flu** in the MSS community. In an effort to contain any outbreak, please see the chart to help you determine if your child's symptoms may indicate cold or flu. **Please keep your child at home if your student is exhibiting flu symptoms.**

Remember, as stated in the handbook, your child must be **free of fever, vomiting or diarrhea for a full 24 hours before they can return to class.** In an effort to protect children who may be immunocompromised, if your child is diagnosed with the flu, please call the office and let us know.

Is it a cold or flu?
