## 2018 BASIL & PEPPER VARIETIES

### BASIL

Try Basil- Mixture of two sweet basils. Genovese and Purple Ruffles.

Sweet Genovese- Sweet- large leaf type from Genoa, Italy- excellent fresh or dried- plant is similar to regular sweet.

Dolce Fresca- Genovese style sweet with dark green glossy leaves. Makes great Pesto or Caprese. ALL AMERICA AWARDS SELECTION FOR 2016.

Greek Columnar- Can grow to 3' tall but only 10" around. Rarely blooms so no pinching of flowers. Makes great Pesto.

Spicy Globe- Dome shaped plants. Spicy sweet flavor. Good in pots.

### PEPPERS

Better Belle 68 Days Very early maturing. Tasty, thick walled fruit as large as 5" across. Plants are compact and vigorous, high yielding even in pots. Mature fruits turn from green to deep orange.

### ZINNIA

Benary Giant Mix Giant dahlia-flowered blooms with densely petaled 6 flowers in shades of pink, crimson, carmine, lavender, white, yellow, orange, and red. This vigorous variety holds up well to both heat and rain. Longlasting cut flowers.
