Having trouble registering?

Our online registration is still ongoing, but **only 16% of our families** have registered. If you need assistance, please let Mrs. Smith in the front office know! Please don't forget... to be considered for **tuition assistance** from MSS, you must be **registered and complete your FACTS application by April 15th!**

School Safety Drills

MSS will be conducting safety drills for various emergencies as listed below. Exact times/dates are not given so that we can practice *as if* the drill were an actual emergency situation. Please let your child know these drills will be taking place at school for the situation listed during the week listed. We hope this will help to help to reduce any anxiety/fear around emergency procedures. Emergency procedures are listed in the handbook. (p.42) A copy of our emergency plan is available for review in the office.

Emergency Drill Schedule for the week of:

March 12—Fire (monthly) **March 19**—Tornado

March 26—Lockdown **April 9**—Fire (monthly)

April 23—Offsite Evacuation

Report Cards will be sent home with students in the **March 20** Tuesday News Folder.

ARE YA FEELIN' LUCKY?

We are kicking off our *Raffle Ticket* campaign this month!

This is the **ONLY** direct sale fundraiser we hold. We ask **every family** to please participate. Funds raised go towards our instructional program *AND* help offset the cost per pupil to educate a student at MSS, thereby keeping tuition low.

Look for information and tickets in your Tuesday folders on March 20!

Jump Rope for Heart

March 14th and 15th is our annual **Jump Rope for Heart** event! Help us raise money for the American Heart Association. We hope you've gotten a "jump" start on your pledges! You can register online at heart.org/jump.

Thanks to **Mrs. Stocksdale** for coordinating this event for MSS!

Preparing for the ITBS

From **April 11—20**, students will be taking standardized tests at MSS.

The *Iowa Tests* will measure achievement for all core subjects in grades 3, 5, 7, 8. Students in Grades 2, 4, and 6 will take a cognitive abilities test as well as a test to measure achievement in reading, math and ELA.

Students in Grades 5 and 8 have already taken the **ACRE** test which measures achievement for our school in the area of religious instruction.

CONGRATULATIONS TO OUR SCIENCE FAIR WINNERS!
