

Strengthening the Hearts and Minds of the Future

MOTHER SETON SCHOOL ANNUAL FUND—*giving the gift of Catholic education*

Dear Friends of Mother Seton School,

In this season of giving, I want to begin by thanking you for all that you have given to Mother Seton School. Reflecting upon the achievements and experiences of our students, I am humbled by the outpouring of support that has allowed us the privilege of continuing to strengthen the hearts and minds of the future. **Your belief in our mission to inspire students to strive for academic excellence and dedicate their lives to love and serve Christ has made a real difference to all who learn and teach here.** Watching our students experience success is a joy for every MSS teacher!

Mother Seton School's legacy has touched multiple generations and excitement about our mission continues. It was felt when Archbishop Lori celebrated Mass for the feast of St. Vincent de Paul with us at MSS. It was felt in our students as they collected school supplies for victims of Hurricane Harvey attending Catholic schools in Houston. And it was felt when our middle school students embraced the challenges of our outdoor Leadership Challenge Course at Capital Camps, an experience that provided them an opportunity to put into practice the skills they've been learning through our Seven Habits course on leadership. Excitement for learning can also be seen as Kindergarten engages in the year-long Earthseeker program at the Renfrew Institute, while first and second grades attended the Great Frederick Fair and watched a calf be born! Now that's exciting!

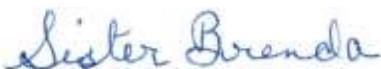

Mother Seton School's Annual Fund supports many initiatives like these. We are **dedicated to strengthening the hearts and minds of future leaders** by offering a strong overall program. Won't you join me in hailing our student achievements and help ensure their continued success by supporting the MSS Annual Fund?

Together, we can further the legacy and mission begun so many years ago, as we celebrate and give thanks for

- The commitment of faculty and staff and the knowledge imparted to our students over the years
- The active learning environment which excites and broadens the horizons of our students
- The witness of serving others that students and alumni have contributed to our region
- The enduring friendships created at MSS that continue through the years
- Our rich, Catholic community, which has formed hearts strong in moral character and committed to living as Jesus' disciples
- Our patron, Saint Elizabeth Ann Seton, and the many Daughters of Charity that have served at MSS and who have touched the lives of many students and families
- The dynamic future that awaits us... our students know they are chosen by God and they are prepared to be academically successful at the next level

Your contribution will help enhance curriculum development, offer tuition assistance for deserving families, and ensure long-term investments in our future through our living endowment and capital improvements. **Your gift ensures that our future is secure and the exciting legacy we celebrate remains possible for years to come.**

My prayers are with you as we enter into this season of joy and thanks,

Sister Brenda Monahan, D.C.
Principal

*P.S. Did you know that our tuition and fees cover just **77% of the full cost** of a Mother Seton School education? The difference, in part, is made up through the generosity of alumni, parents, and other benefactors such as yourself. Visit our website today to donate online!*
