MOTHER SETON SCHOOL ANNUAL FUND
giving the gift of Catholic education

Fall has arrived in Emmitsburg. Leaves are falling and the weather is crisp. As I walk on the grounds of our campus, I often wonder what those first few years were like for Mother Seton and her students. One thing that strikes me was her unwavering faith in God's will as she encountered those changing of seasons. Surrounded by those who believed in her ministry, she was able to move forward boldly doing God's will and laying the foundation for future generations. I am humbled that you continue her legacy by believing in the ministry of Mother Seton School.

You Believe in our mission. The mission of Mother Seton School is *to inspire students to strive for academic excellence and dedicate their lives to love and serve Christ in the tradition of St. Elizabeth Ann Seton and St. Vincent de Paul.* Every person plays an important role in living out our mission. This year our theme is "The Love of Jesus Guides Us." Our students are focusing on a different outreach project each month. We have sent a spiritual bouquet of prayers and sacrifices and we have created and sent over 100 Jared Boxes filled with goodies for children in hospitals. When students graduate from MSS **they have a strong spirit of service to others.**

You Believe in our teachers. MSS teachers have dedicated themselves to inspire and encourage our students to work hard to learn every day. Our teachers continue to enhance curriculum by integrating technology and providing hands-on learning opportunities. The success of this year's Penny Power campaign will bring another 3D printer into the school as well as more 1:1 devices for students to use. **Our students are engaged and excited about learning** because of the commitment of our teachers!

You Believe in our Sisters. MSS remains one of the few schools in our region where you will see religious Sisters actively working with students. The impact of these wonderful relationships is revealed through many generations of alumni. The Sisters have faithfully continued St. Elizabeth Ann Seton's call to educate those who desire a Catholic education regardless of their ability to pay. By partnering with generous donors such as yourself, we have been able to **ease the family's sacrifice of investing in a Catholic education for their children.**

You Believe in our students. It all comes down to this! We are in the business of forming educated and loving students who continue their educational journey to high school and beyond, confident within themselves, academically prepared, and compassionate towards those around them- especially those in most need. We know that **our students are making a difference and bringing Christ's light and love into the world.**

During this season of giving, **I ask that you partner with us and support our 2018 Annual Fund.** Your gift demonstrates that you believe in Mother Seton School and will assist us to continue to move forward boldly, laying the foundation for future generations, just as St. Elizabeth Ann Seton did over 200 years ago.

My prayers are with you as we enter into this season of joy and thanks,

Sister Brenda Monahan, D.C.
Principal
