#GIVINGTUESDAY™

### #GivingTuesday is Coming!

For the fourth year in a row, Mother Seton School is joining non-profits from all over the globe in this annual event to promote charitable giving.

Last year, our goal was \$1000 and your generosity helped us blow that goal away. This year, we're shooting for the moon and with your help, we know we'll get there.

Our Goal for 2017: **\$10,000 in 24 hours**

*Will You Help Us Reach Our Goal?*

Our [Annual Fund Campaign](#) is about to begin. This is our most critical fundraiser of the year and we rely on these funds for operating expenses, tuition assistance, facility maintenance, and much more. In keeping with the legacy of our Patron and Foundress, St. Elizabeth Ann Seton, our tuition is the most affordable in the county, putting a superior Catholic education in reach of families who otherwise might not be able to afford it. But in doing so, it means only 77% of our tuition covers the actual cost per pupil to educate an MSS student. Gifts to the Annual Fund help make up the difference.

Donations made during #GivingTuesday will go toward the Annual Fund and can still be directed toward a specific area of need. No amount is too small. **Every gift to the Annual Fund is important.** *Every gift is the difference* between raising tuition and keeping tuition affordable for all families. *Every gift is the difference* between students receiving a good education or a great education.

**This season, don't just *make a difference*...BE the difference.**

On this one day, November 28th, make a commitment to give a gift of education that will last a lifetime. Because a great education isn't just what our children learn, it's what becomes a part of them.

**Pssst! You don't have to wait until November 28th to make a gift. [Give now](#) and put #GivingTuesday in the comments.**
