

August 28, 2018

Dear Parents, Students and Friends of Mother Seton School,

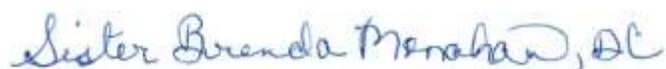

I'm writing to update you with the news that Mr. Peter Mannix has resigned as Principal, effective as of Friday, August 24<sup>th</sup>. The Provincial Leadership for the Daughters of Charity has requested I resume the role of principal for the 2018-2019 school year and I have accepted. By God's design, I had not yet left Emmitsburg to travel to Indiana when we received the news. It is an honor to continue serving in this community and I am very happy to work on behalf of our students and families.

I understand this news of change in leadership will come as a shock and I regret that this has occurred so close to the beginning of the school year. I have faith the Lord has a plan for Mother Seton School and it is a marvelous one. We will be starting the 2018-2019 year strong and with great spirit. We are blessed with a caring, energized faculty and staff who are dedicated to making this a fantastic year for our students. We are excited to implement a new science series for students in K – 8 and to bring the MakerSpace program into our classrooms. We are finishing the work on putting in a new roof in all areas of the building and H.S.A is busy preparing for our first big event - Grandparent's Day. Life can be full of surprises and as disciples of Jesus we are called to be open to God's will and take the path placed before us. I am blessed that this path has led me to continue to serve at a place I love.

Be assured of my prayers for you as you prepare to begin the new school year. May Mother Seton guide us as we embark on another wondrous year of learning!

I look forward to seeing you soon!

Blessings,
