

Dear Parents,

My theme for this year in physical education is “No Child Left Inside”. With that being said, I will be having gym class outside as much as possible. My reasoning for this is I feel our children are experiencing less of nature and I want to get them out in the fresh air and playing in the green grass.

Some days I may decide that we will go out on cold days, no less than 40 degrees, so please make sure your children have the appropriate clothing; coats, hats, and gloves. We will also be going out on wet days, so a raincoat would be advisable.

I know there has been talk about shoes, I will try to keep them out of the mud as much as possible. If they have their old pair of uniform shoes from last year, they may wear them on gym day. The best shoes to buy are all leather white tennis shoes, so they can be easily cleaned or wiped off when we come in from outside. Uniform shoes are the required shoe for PE days, no exceptions, please.

If you have any questions please email or call me at school. Thank you for understanding, and I look forward to our outdoor fun.

Mrs. Stocksdale
