

Dear Parents,

In response to your feedback, we are excited to let you know that we are moving to an online process for registration for the 2018-2019 school year. In the coming weeks, you will be receiving more information about the process from SchoolAdmin, a web based program which will provide you with all the tools needed to complete your registration digitally.

As we prepare for the implementation of the online registration process, we need an e-mail address for each family to be able to send you the registration information. We know that many of you provided an e-mail earlier this year, however, we need to confirm that this would be the address to which you would like your registration information sent.

We ask you to complete and return the form below to the **office no later than Friday, January 26th**. If you have questions, or need assistance, please contact Jen Buchheister or Terry Smith.
